Housing descriptions

A Double Deluxe "Green Rooms": Accommodations at Omega are getting a "green renovation." We now offer rooms that include organic mattresses, pillows, and comforters; low-flow showerheads; dual-button flush toilets; air conditioning and heat offset by wind-powered energy; compact fluorescent lighting; and local, sustainable building materials. These rooms are shared with a roommate and have a private bath. If you do not register with a roommate, Omega will assign you one. Bed linens, pillow, blanket, soap, and towels are provided.

A Single Housing: Type A single housing is a private room with a queen-size bed and a private bath. Bed linens, pillow, blanket, soap, and towels are provided. You may wish to bring extra towels or blankets. These cabins are heated. *Facility fee included.*
